BUSINESS LUNCH

32624

Like just about everyone under 30 living in the Great Recession with even a modicum of html knowledge, **Brett Rossi** and **Kendall Karson** have decided to go against the norm and become full-time bloggers. Unfortunately, they don't have any idea what they want to blog about. And worse, every time Brett tries to get Kendall to sit down for a serious brainstorm session, the only sweat comes from between the two business ladies' loins as they end up scissor fucking and sucking on each others' clit for hours. After one particularly tawdry lesbo session, Brett looks up from between Kendall's juicy thighs and gets a glimpse of just how sexy the pair look in their filthy embrace, and then stops, as though a bright light were going off above her head. "What?" says Kendall. "Do you have an idea for our blogging business?" Brett shrinks, then says, "Maybe we could write about maybe gourmet cupcakes?" Kendall sighs and resumes sucking on her pals' poon like a fuck peach. It's gonna be a long afternoon for these two.

2013 SPRING MOVIE COCKBUSTERS

BY RAMSEY STEELE

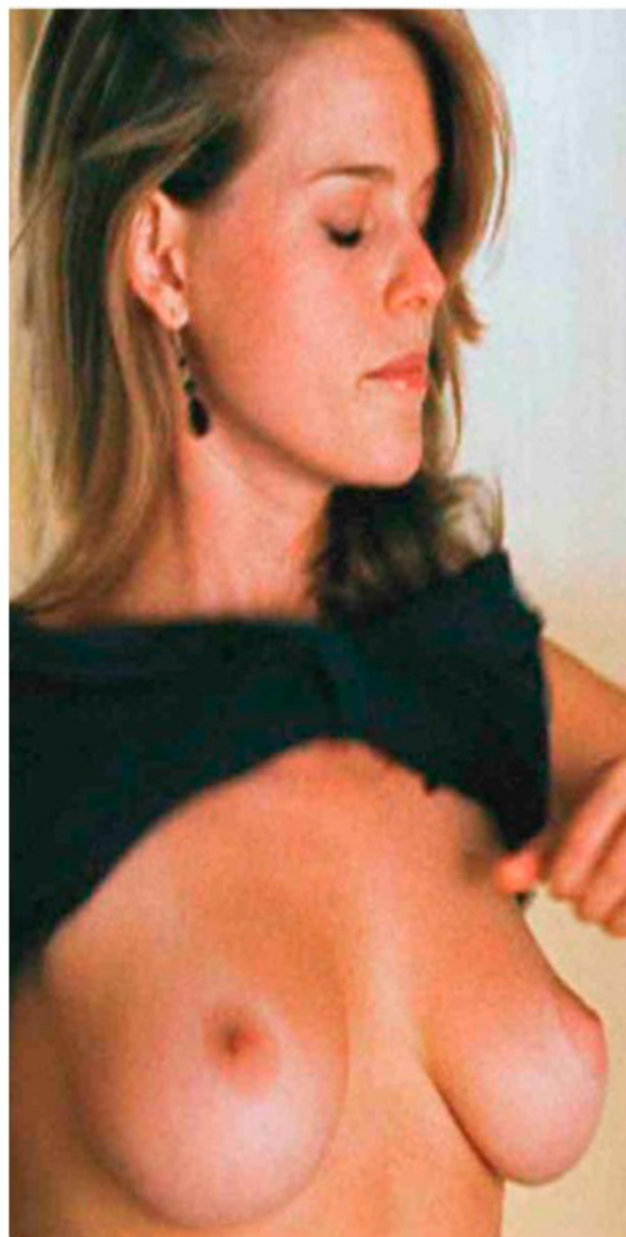

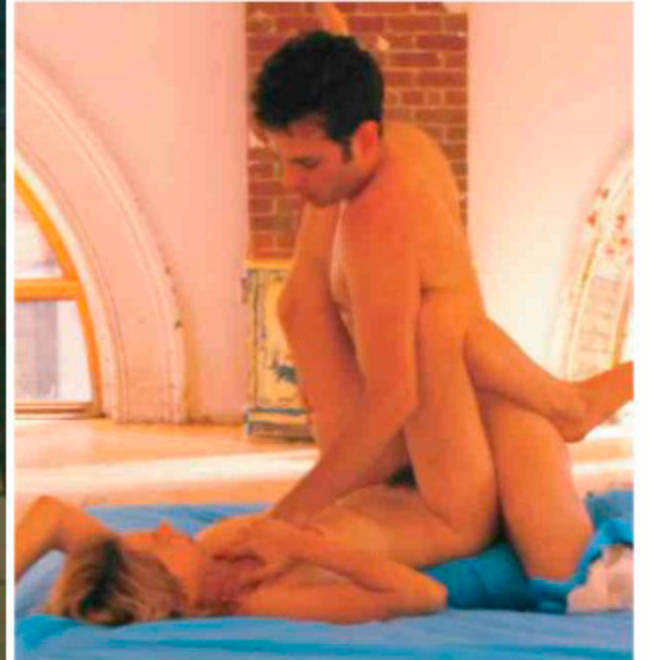

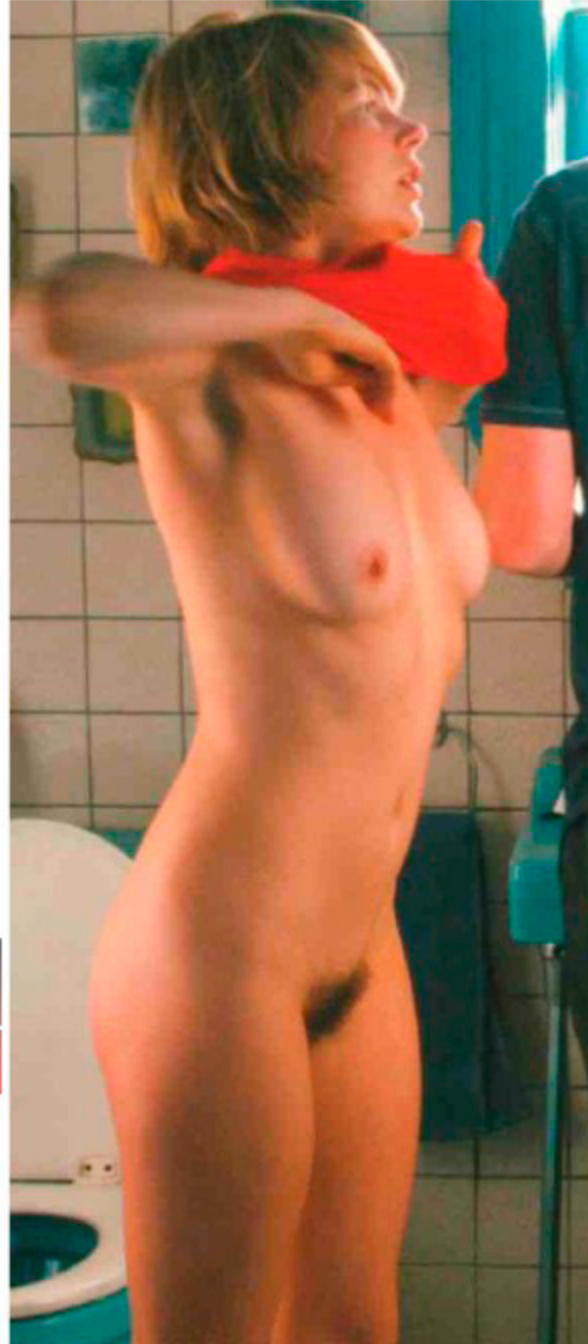

The winter thaw is on and Tinseltown is preparing for still another season of blockbusters, this time for Spring! Join us at **HIGH SOCIETY** as we take our first-ever Springtime look at Hollywood's latest line-up of lovelies for 2013! As usual, we advise you to order some popcorn, grab a soda, and then be sure to grab, er, anything else you might want to get your hands on!

MICHELLE WILLIAMS

OZ: THE GREAT AND POWERFUL

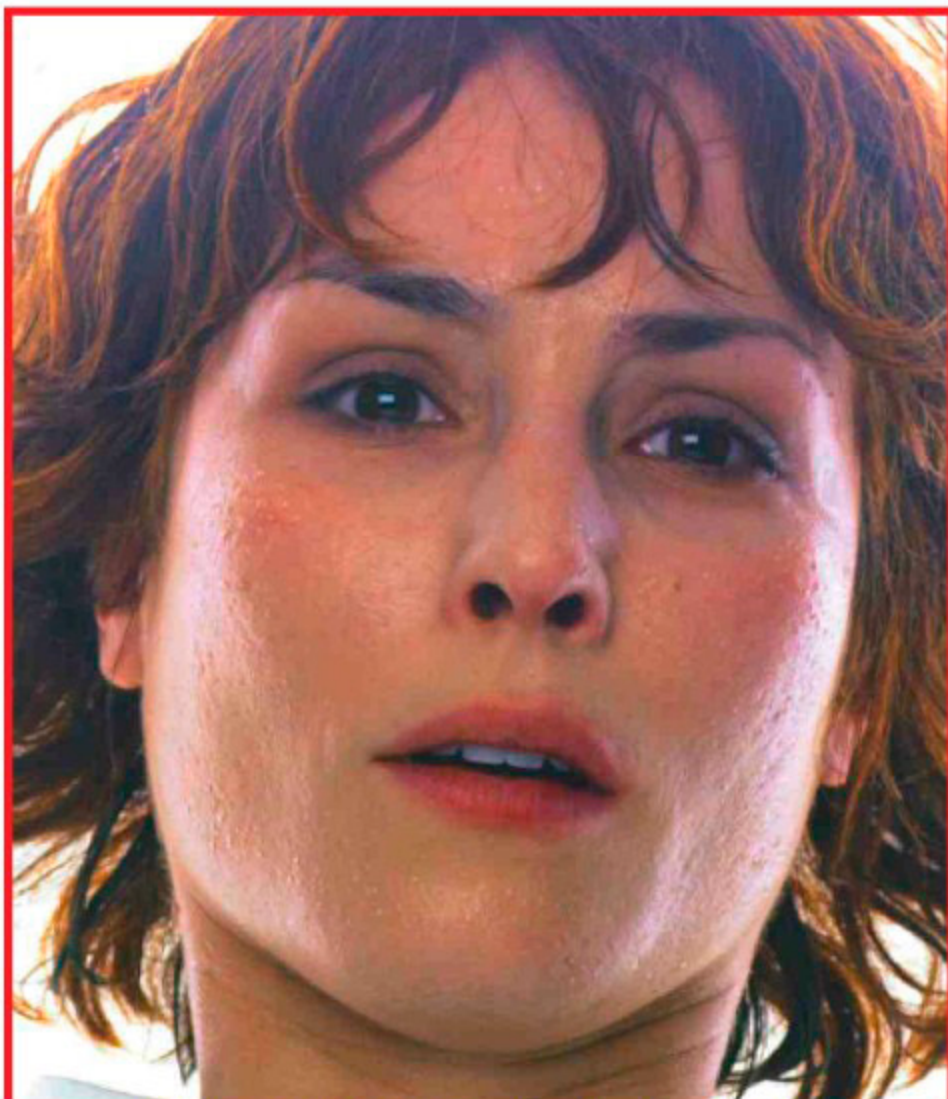

Magnificent Michelle Williams portrays Glinda the Good Witch of the South in the highly anticipated re-imagining of the classic *Wizard of Oz*. Happily we didn't have to use our imagination when Ms. Williams stripped for a shower and a sex scene in last year's acclaimed indie comedy *Take This Waltz*.

ALICE EVE

STAR TREK INTO DARKNESS

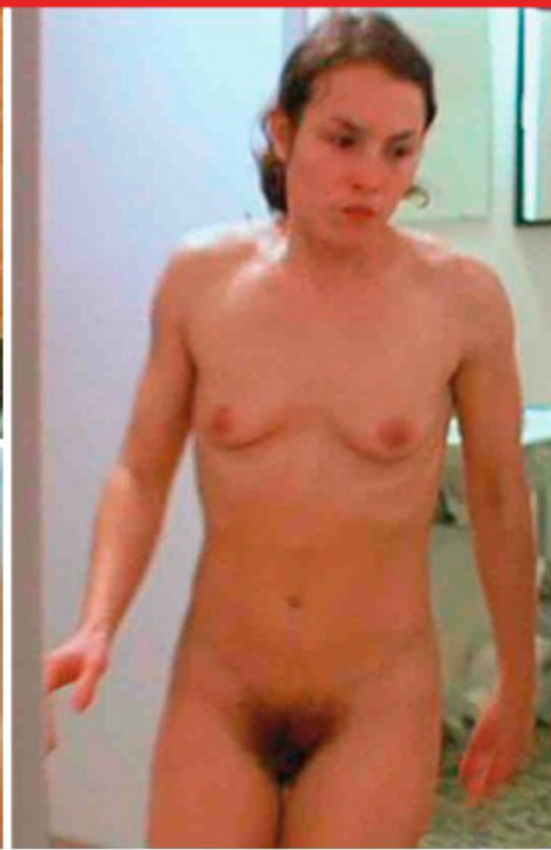

The latest *Star Trek* adventures finds the crew of the Enterprise coming up against an unstoppable force of terror from within their own organization, prompting Captain Kirk to hunt down a one-man weapon of mass destruction. While hunting, Kirk manages a run-in or two with the luscious Alice Eve, who's "crossed over" to big-budget studio flicks since *Crossing Over* (2009), her nudity-filled breakthrough indie flick.

NOOMI RAPACE

DEAD MAN DOWN

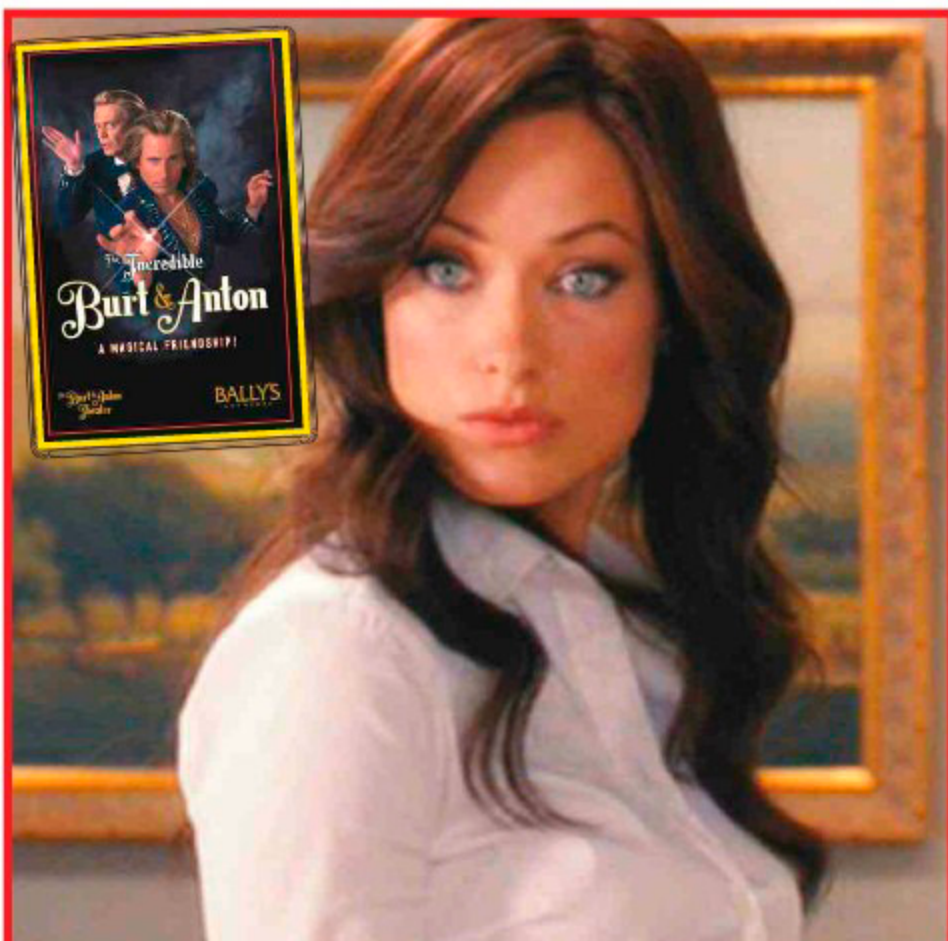

In this gritty crime thriller, Sweden's Noomi Rapace portrays a young woman seeking seductive revenge on a New York crime lord by seducing his right-hand man, played by Colin Farrell. We've loved Noomi since she took on the role of Lisbeth Salander in the original Swedish film versions of *The Girl with The Dragon Tattoo* trilogy, followed last year by her starring role in Ridley Scott's gooey sci-fi extravaganza *Prometheus*.

SONYA WALGER

ADMISSION

Starring Tina Fey and Paul Rudd, this comedy about a Princeton University admissions officer who meets a college-bound teen who may be her long-lost son sounds like it's going to be the feel-good movie of the season. We can only say that any movie that features a supporting turn by sexy Sonya (HBO's *Tell Me That You Love Me*) makes us really feel good!

OLIVIA WILDE

THE INCREDIBLE BURT WONDERSTONE

Steve Carell and Jim Carrey star in this spirited comedy about a pair of washed-up Vegas magicians fighting for relevance in the world of newer, "hipper" street magicians. The ogle-worthy Olivia Wilde, who strutted her stuff so sexily in *Alpha Dog* (2006) and *The Change-Up* (2011), portrays the woman in both men's lives. If she's looking for a third guy, we've got a number for her to call...

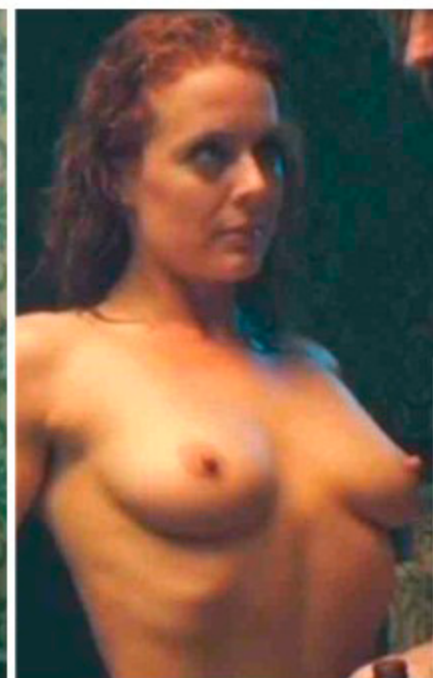

JULIE LeBRETON

STARBUCK

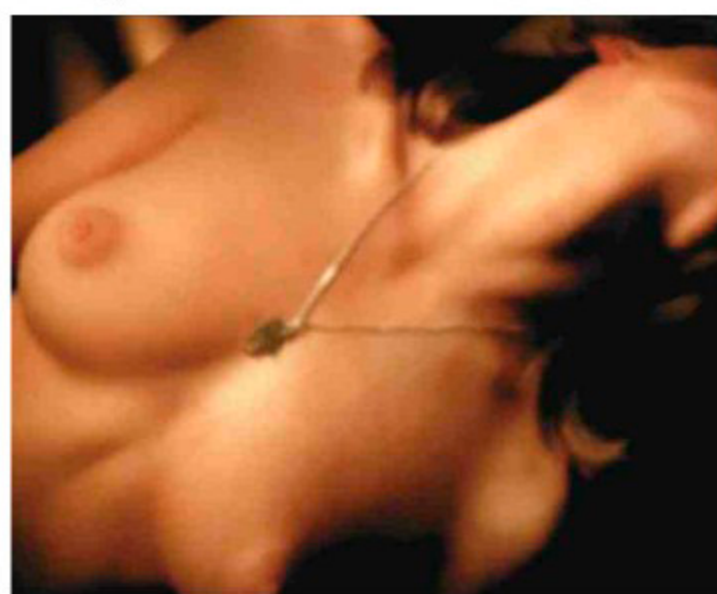

In this Canadian comedy, a forty-something slacker receives other life-changing news: 142 people, all of them the result of artificial insemination, have filed a class action lawsuit against him, their biological father. Juicy Julie LeBreton of the 2009 cult horror movie *Cadavres* portrays the schmuck's current lover, who finds out she's pregnant just as the lawsuits begin to kick in. We feel kinda sorry for her, but we still love her tits!

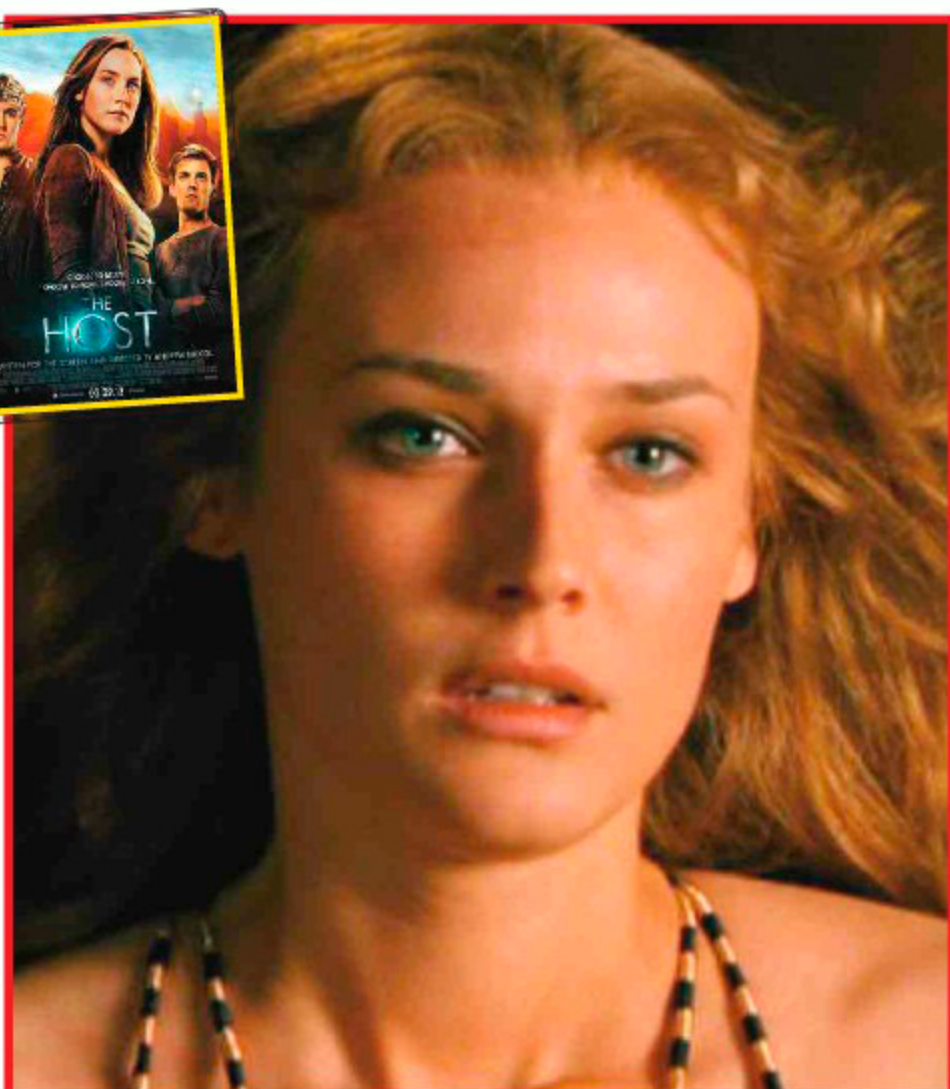

JUDITH GODRÉCHE

STOKER

An enigmatic uncle moves in with his teenaged niece and her emotionally unstable mother and strange things begin to happen in this gothic horror entry, starring Nicole Kidman and Mia Wasikowska. Juicy Judith Godrèche turns up in a small supporting role, marking her first significant role in years, following, most notably (and nakedly) being 1999's *Entropy* and *The Disenchanted* (1990).

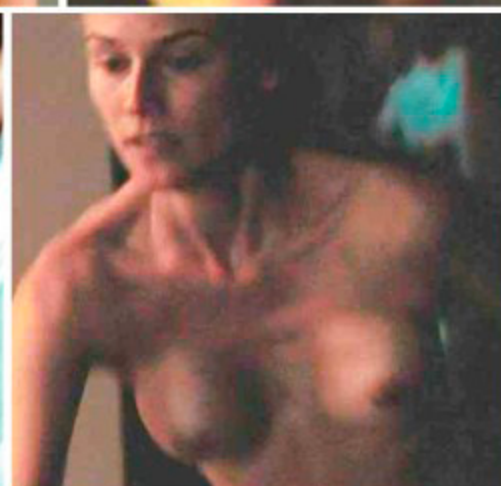

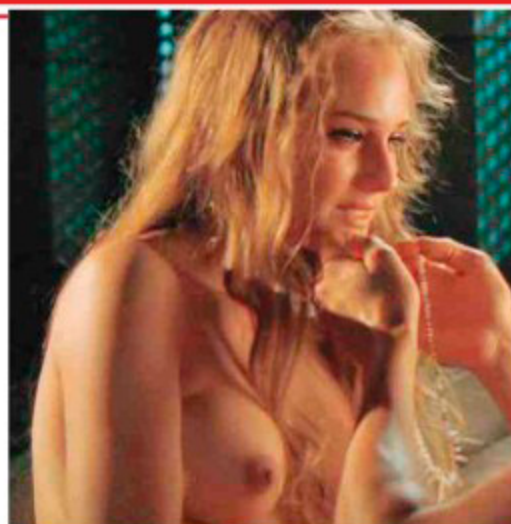

DIANNE KRUGER

THE HOST

In this sci-fi thriller based on the novel by *Twilight* scribe Stephenie Meyer, a parasitic alien soul is injected into the body of a teenage girl, who then ponders carrying out her race's mission of taking over the Earth. Delicious Diane Kruger (*Troy*, *Inhale*, *The Age of Ignorance*) portrays "The Seeker," the alien being who oversees the Terran takeover and the wrangling of alien souls. We're hoping there are some bodies to go along with those souls, as well!

JENNIFER MUDGE

DEAD MAN DOWN

Juggalicious Jennifer Mudge turns in some solid supporting work alongside Noomi Rapace in the NYC crime flick *Dead Man Down*, but the rising starlet really showed us she was the boss with her full-frontal frolicking in last year's premium cable TV smash *Boss*.

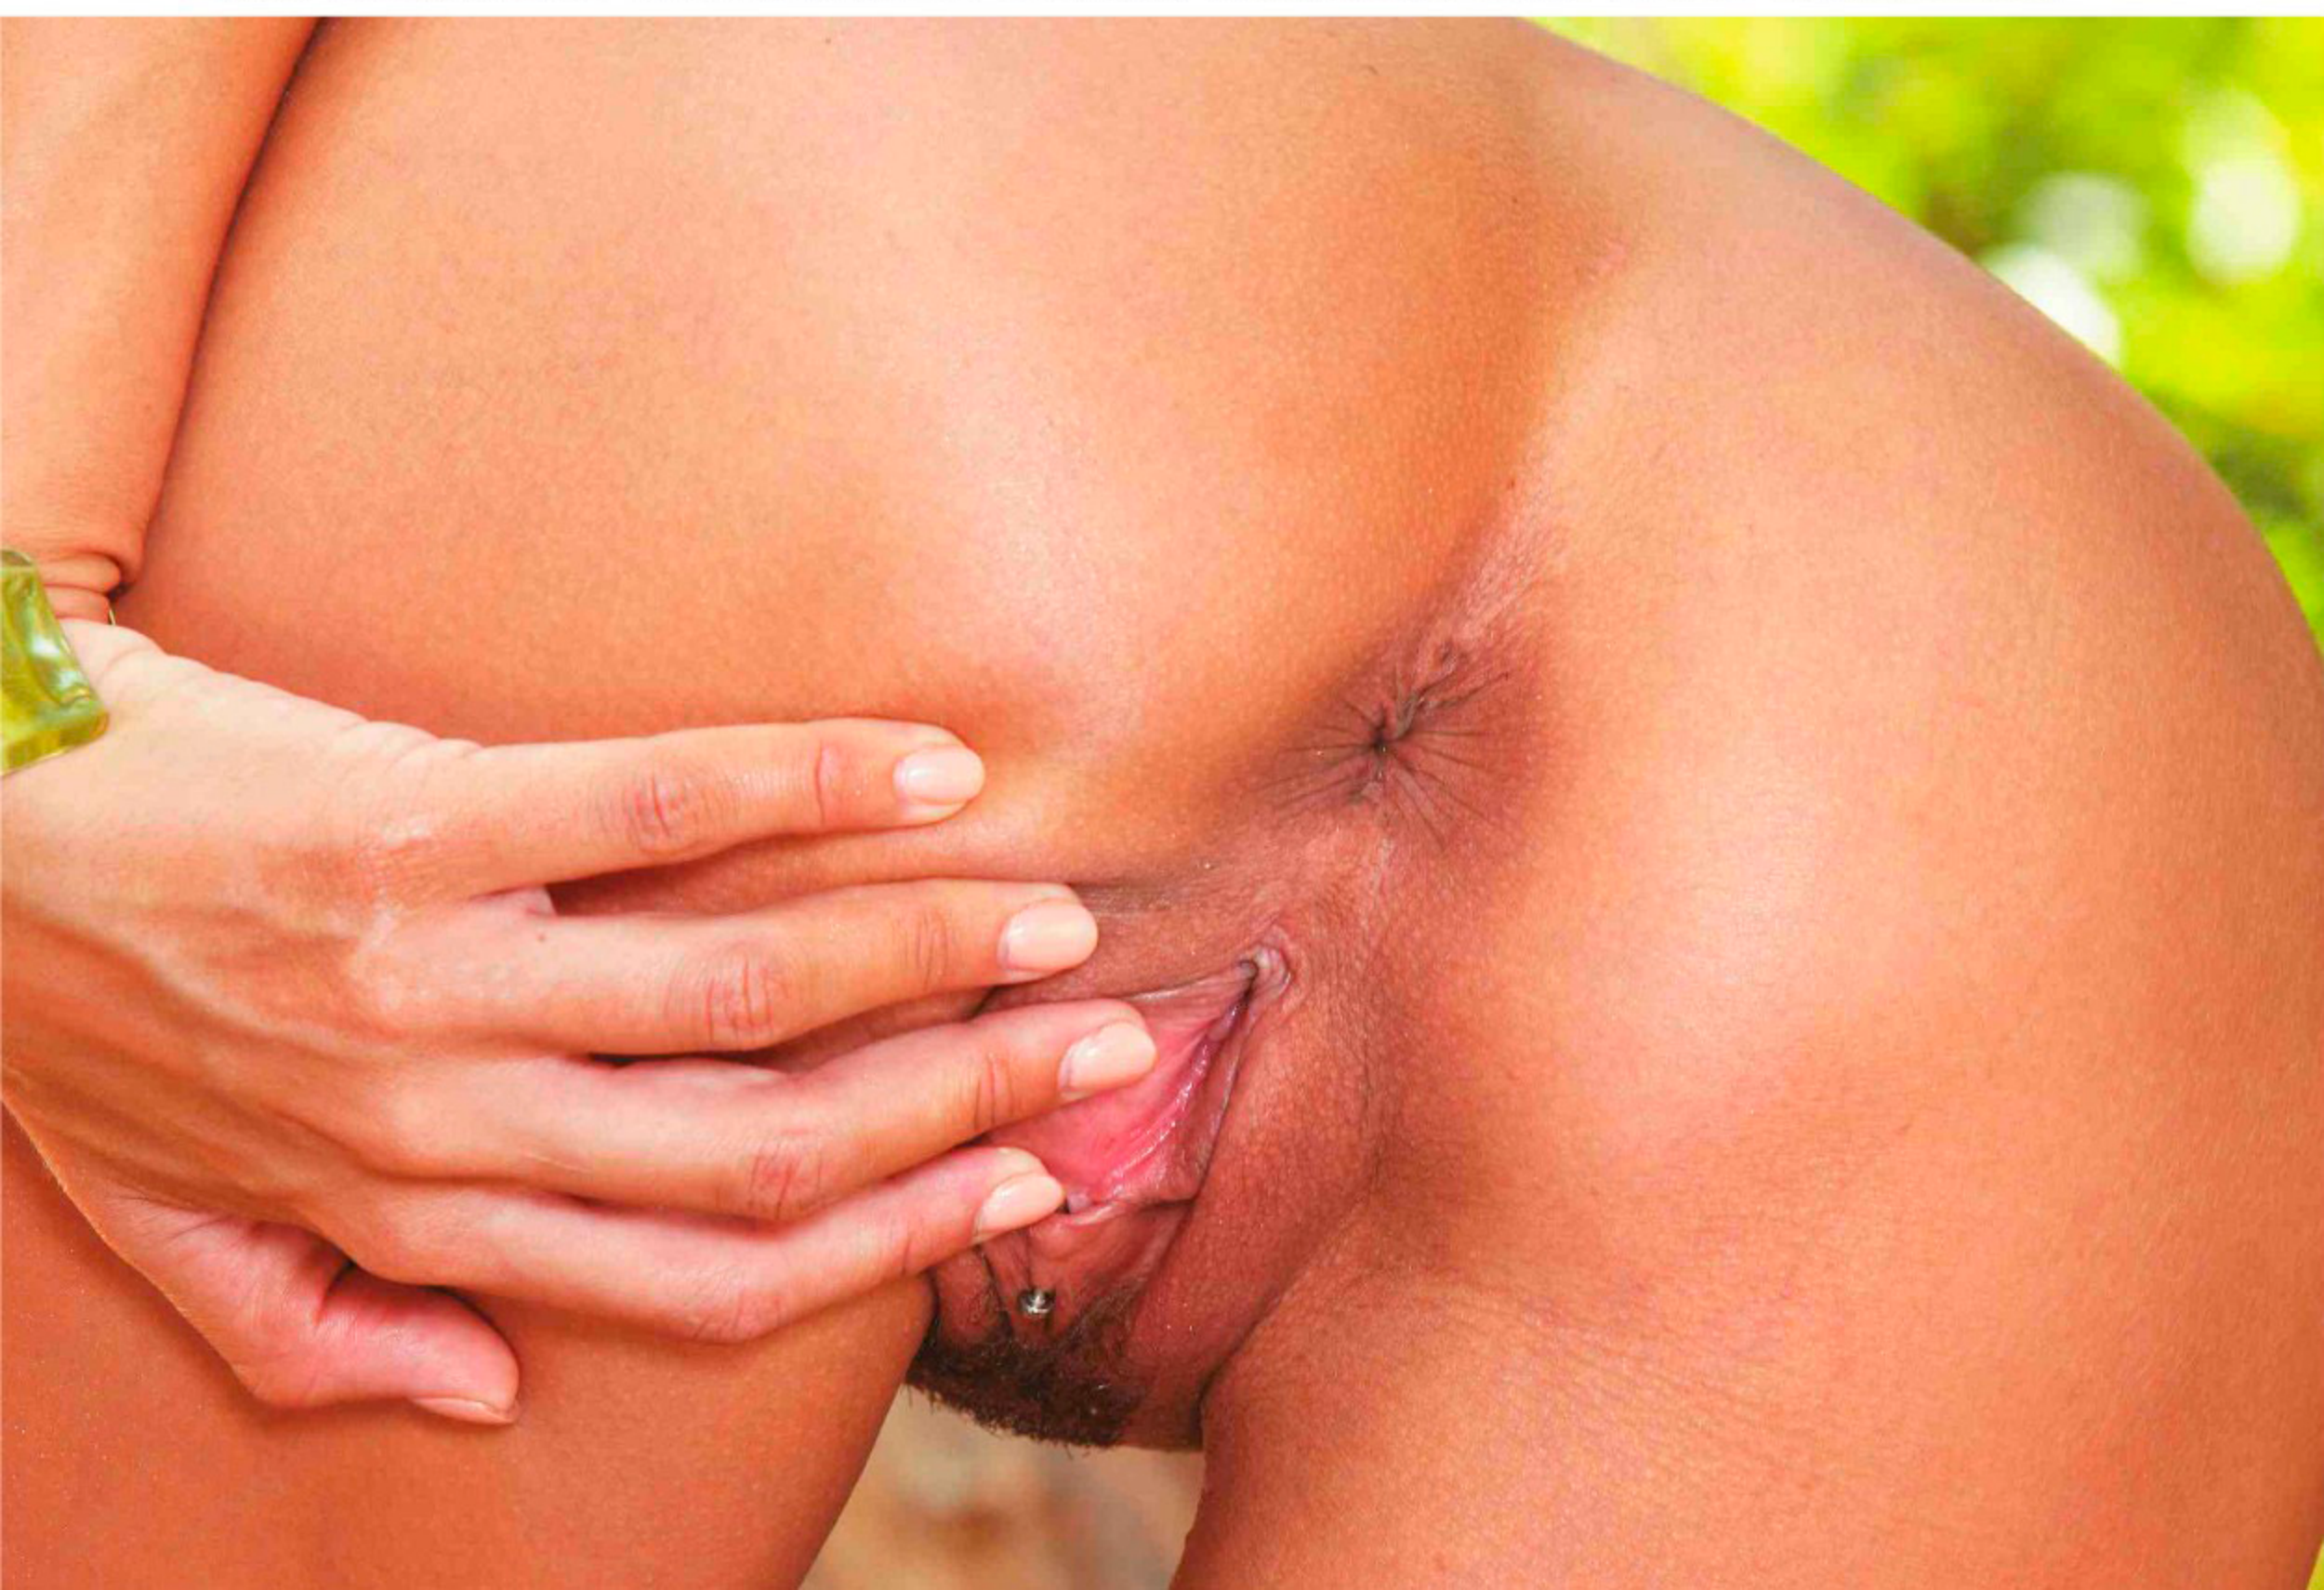

THE PRICE IS RIGHT

“I love coming back to my roots,” **Kirsten Price** explains as she poses in front of our cameras. “Magazine modeling is the purest form of porn, or what I consider Nude Art. There’s something dignifying and flattering about it,” continued Kirsten as she plunders her pussy with a glass wand. “Not that getting fucked on film is any less dignifying of course!” Perish the thought, Miss Price!

HIGH SOCIETY 41

Japanese-born **Marica Hase** is an animal rights activist and vocal critic of her birth nation's marginally legal whaling industry. While those against fur often appear naked in campaigns against the mink industry, Marica decided that letting her clam get speared by a huge sperm-spurting prick might do some good and bring attention to worldwide anti-whaling efforts. We're not quite sure she's reaching quite the right audience, but who are we to argue with a pretty Asian minx who wants to sacrifice herself for such a noble cause as...what was it? Something about preventing forest fires? Oh, well. Enjoy!

CATCH OF THE DAY

Look what we pulled up in our naughty drag-net! This feisty, blonde bombshell is none other than **Spencer Scott**, our delicious May Centerfold sweetheart. It took a few cheesy pickup lines as bait, but really Spencer was actually eager to get caught so she could put on a show, spreading her juicy pussy lips apart and lusting for a big, fat dick in her sweet ass. We just might happen to know thousands guys who would be happy to oblige her anal addiction.

DIRTY SLEAZE FROM ACROSS THE SEAS!

“Teaching English abroad was, like, totally one of the most challenging, but, like, rewarding life experiences ever,” reflects horny American inspiration **Nick**, just back from his international service year. “My students had such a desire to learn, like they wanted to suck the knowledge right out of me.” Here, star pupils, **Rihanna** and **Silvie**, absorb Nick’s lesson plan during one of his many jism-spattered cram sessions. “It feels really good being a beacon of freedom, bringing hope and cratered ass-cavities to folks in foreign countries,” he says proudly. “One day, I hope to, like, totally go back to England and see how my students are progressing.”

Story by PETER THOMPSON Illustration by WAY\$NAK

HIGH SOCIETY 75

Our beloved, pint-sized planet is little more than a nervy four billion-year-old dervish, spinning in place like a tweaking danseuse at a thousand miles per hour. Earth is a delicate, unforgiving, diminutive, little bluish speed-freak orb whirling recklessly in a pitiless, unforgiving tumult of cosmic debris in an unfriendly solar system filled with vindictive, destructive, malevolent, dick-head rocks and dirty snowballs that promise humanity nothing apart from a quick and certain death; unavoidable obliteration.

Our beloved little world hurls itself around the sun at 66,000 miles per hour, a saga that is itself speeding eccentrically around a massive black hole at 420,000 miles per hour on the frayed edge of an insignificant galaxy called the Milky Way. And our trifling cluster of a billion or so suns is cruising at a rate of 2,237,000 miles per hour straight for a sordid head-on collision with the neighboring Andromeda celestial clusterfuck. Before we even get up out of bed in the morning, we're essentially locked inside the rustiest, ricketiest carnival ride on the Midway for the fleeting instance we call a lifetime, while the entire works we call the known universe continues to explode apart at 150,000 miles per hour, promising either complete col-

lapse or catastrophic celestial burn-out.

Human life seems very much like walking along a greased-up tightrope with a noose around your neck. We would like to think that the human race was given a master plan, some kind of rulebook that we can follow in order to assure our transition into the blissful beyond. But there's no itinerary for human life to follow and there are no do-overs. We are a once-in-a-trillion product of hot gas and gamma radiation somehow rendered conscious and alive inside a small sanctuary hidden in the infinitely hostile cold death-vacuum of space. We live our entire pathetic, little 25,000 sunsets in the middle of the immutable laws of physics that essentially work around the clock coming up with new ways to fuck us and scrub the planet

clean of all this biological

dirt. And that's

the good news.

At any moment, we could be rendered extinct by any combination of natural and man-made catastrophes that we have no real way in hell of preventing. It's a shitty witch's brew of extreme mega-quakes, tsunamis, nuclear war, biological disasters, weather changes, plagues, terrorists, pestilence, famine, civil insurrection, the New World Order, X-class solar flares, and Chinese-dry goods, and each and every one, however unlikely, all are but a few loose ticks away on our civilization's biological timepiece. Our demise is inevitable.

And this says nothing of our bodies' own lightning potential for self-

cover, early on, that our fate is an eternal tomb of either unending somethingness or unending nothingness, each thought kind of a little worse than the first. It can make you mad and *mad*—angry and insane.

Time and again, the ancient prophets and mystics have foreseen the world's end and tried to warn us to change our ways of living before it's too late. They promise raptures and holy battles, incredible monsters, and angels of death. But even they never anticipated a world that's devolved into this ridiculously horrible type of shit.

If you're among the lucky ones, you'll get murdered in the streets, capped in the head five or six times for your fucking sneakers. What choice does the thoughtful, considerate human have in this all-too-brief adventure we call life? You can turn to guns and religion or buy really shitty shoes. Or perhaps, multiply the two ideas and get thee to the nearest doomsday cult compound and hunker down with your Bushmaster between your pale, malnourished thighs, eat some canned goods, listen to a hand-cranked radio for news of the outside world, while reading from your bizarre, fundamentalist, let's just call it "insane" interpretation of whatever religious book you favor for the com-

YOU DON'T HAVE TO INVENT YOUR OWN ENTIRE RELIGION TO BE A SUCCESSFUL DEATH CULT LEADER—ALL YOU REALLY NEED IS TO SLIGHTLY REINTERPRET THE ALREADY NEBULOUS TENETS OF ANY EXISTING ONE.

destruction and absolute biological failure: heart attacks, strokes, cancer, disease, and spontaneous combustion haunt every single one of us. We are given bodies fueled by desires and fears and told to disregard those base, primal instincts. A supposedly benign cosmic force tells us, "Good luck with all that," and if we have any critical thought process at all we dis-

ing apocalypse.

Angst and stupidity make for some really dumb human decisions, but one of those decisions, hopefully, involves hordes of idiots signing over their social security checks and handing over their hot, 18-year-old daughters to you as tribute. This is your cult, *your* religion, *your* rules. If it doesn't come from your halitosis-

strewn, pussy-sick mouth, it must therefore come from the Devil. Write it on a plaque.

It's a fairly simple shell game, really. The vigils signifying the beginning of the end are everywhere at once—earthquakes, war, famine, popular music, the shit is quite obviously on the cusp of hitting the fan. Bedlam is here. It's coming anytime now, but you'll be much safer waiting it out here in our well-armed compound eating weevil-egg pasta and praying toward our prophet and leader, a bat-shit, unemployable middle-aged white man (that's where you come in) with an unsymmetrical face and a pair of Ray-Ban Aviators. It beats the fuck out of working.

FINDING YOUR TARGET MARKET

There are millions of reasons why people break down and join doomsday cults. Actually, there are probably only, like, two or three: *Fear? Stupidity? Greed?*

People join doomsday cults because human beings are generally frail, gullible mendicants who desperately crave any sense of

purpose whatsoever. A powerful, well-armed and loving cult offers them the authority and discipline they need. It gives people who would otherwise be living in their parents' garage a sense of like-minded community. There's power in automatic weapons. The cult leader is full of vast wisdom and guidance and the joiner is vulnerable, unable to cope with daily life on its own terms. Plus, joining a doomsday death cult is a great way of basically sending a greeting card to everyone in your life that says, "FUCK YOU. I'M A FAILURE. GOODBYE."

The person who joins a cult commits the real and true suicide as soon as he actually signs up, sloughing off his specific personal familiar and

social obligations in exchange for

without joining on and becoming the toothless operator of the Tilt-A-Whirl. Most reasonable people take a few rides, eat a funnel cake, and then vomit themselves back to reality, often running full speed back to their car to scratch off the creeps. But there are some especially weak-willed twonks among us that are drawn to the carny lifestyle. Cult members are essentially the carnies of the religious world—a special breed.

The guy who hopes by following the rules to the letter that he can hasten the end of the world and that he will be among those miraculously saved because he's wearing the correct sneakers and has the right amount of pocket change to catch the next comet-following UFO that passes by is

A GOOD CATCH PHRASE, LIKE "BLESSED BE" OR "ALL HAIL DADDY DICK" DOESN'T HURT, EITHER.

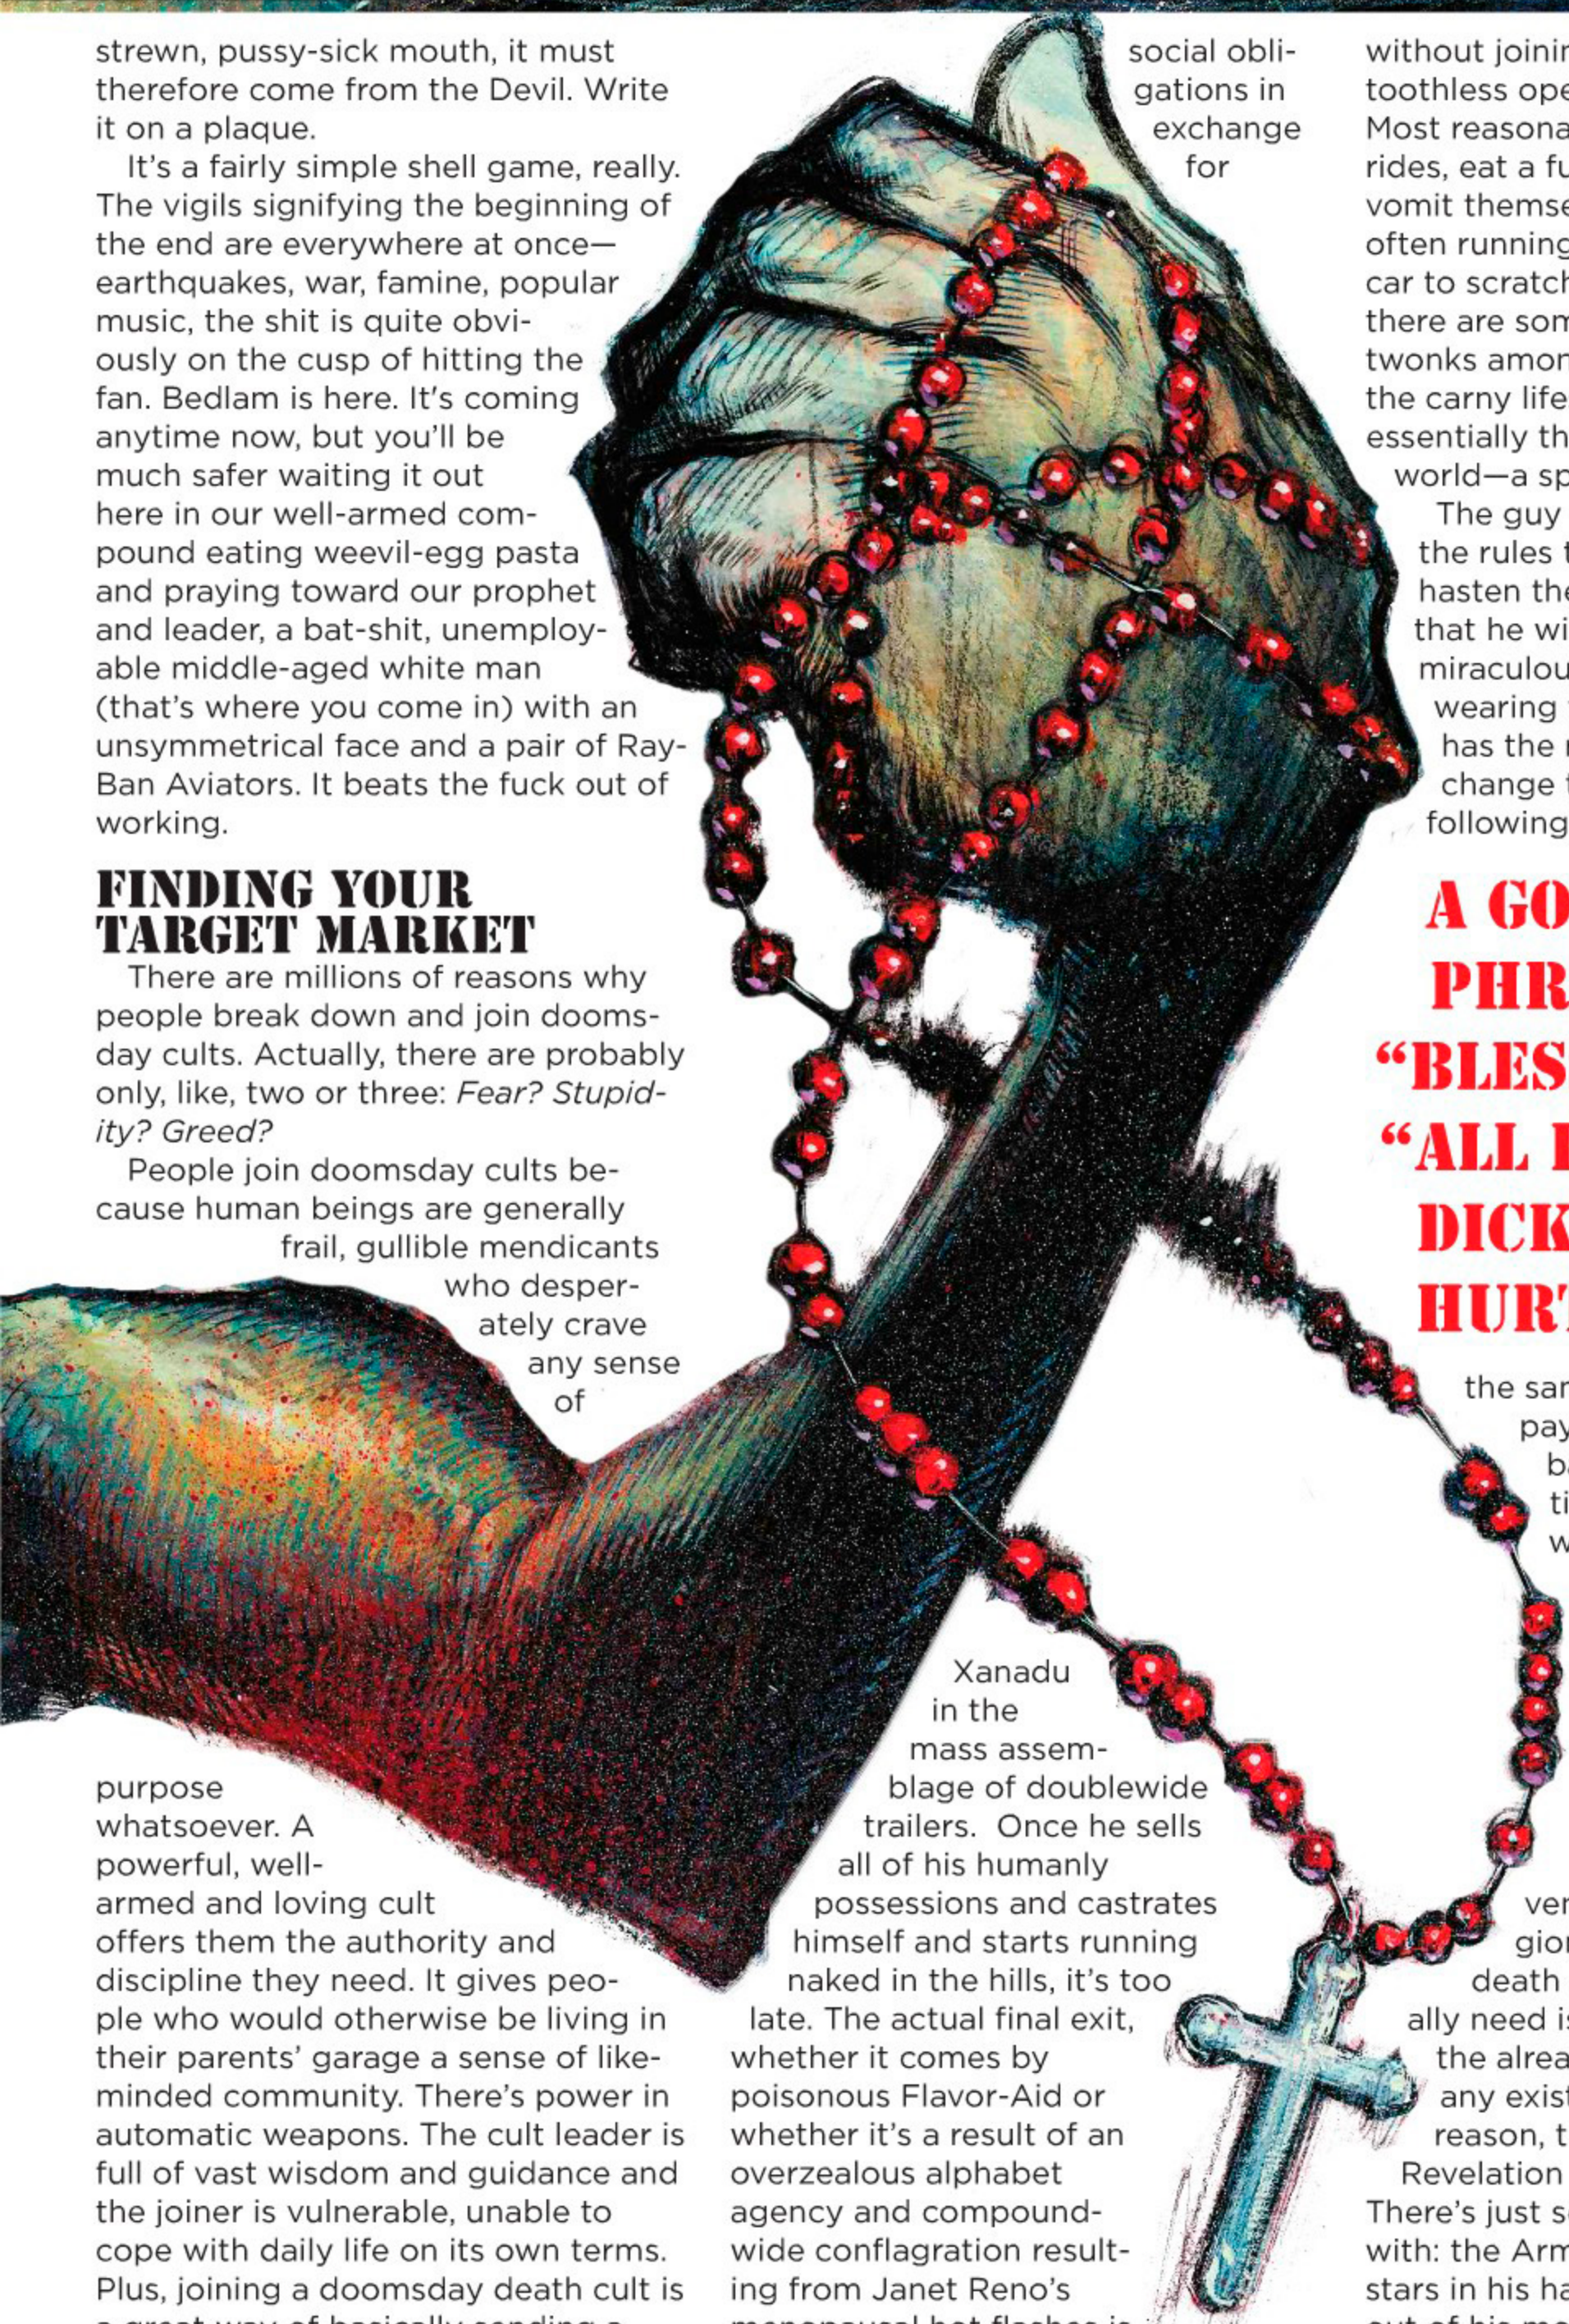

the same guy who spends his paycheck trying to shoot a basketball into a deceptively small hoop just to win a stuffed monkey with a banana-shaped hard-on.

DON'T REINVENT THE WHEEL, HERE

You don't have to invent your own entire religion to be a successful death cult leader—all you really need is to slightly reinterpret the already nebulous tenets of any existing one. For this very reason, the Christian Book of Revelation is a death cult favorite. There's just so much there to work with: the Armageddon God, with stars in his hand and a sword spitting out of his mouth. He's angry, vindictive, and jealous. There are satanic beasts battling the people, billowing trumpets. There's a final epic battle between the forces of good and evil. Your job as cult leader is not to actually articulate exactly what you and your legions believe, but rather to

Xanadu in the mass assemblage of doublewide trailers. Once he sells all of his humanly possessions and castrates himself and starts running naked in the hills, it's too late. The actual final exit, whether it comes by poisonous Flavor-Aid or whether it's a result of an overzealous alphabet agency and compound-wide conflagration resulting from Janet Reno's menopausal hot flashes is really quite academic.

A cult member is a special kind of chap. Each year, millions of otherwise reasonably intelligent folks go to their local carnival, an equivalently horrifying proposition as joining a cult. Yet they walk away

find something vague and changeable to be against, and then change it at will. You have to keep the hamsters guessing as to what the fuck is going to happen every time they step on the wheel in their cage. The less they know, the better. The more they think they know, the less they actually know. All the better. And you don't have to really know anything, except your bank account number.

What entices Muslim extremists to strap themselves with high explosives and blow themselves up in the middle of farmers' markets? It's the promise of the great reward that awaits them in paradise—dozens of virgins and the like. Granted, people who have actually had sex really want very little to do with so many fucking virgins. Frankly, it sounds like a horrible headache to me. In the

West we are vain. We want washboard abs, the ability to fly, and nice stuff for our homes. Promise your followers everything they seem to want. You'll get very few breaches of contract lawsuits from a bunker full of room-temperature adherents in matching tracksuits if you don't deliver.

But what makes a person actually want to hasten the end of the world? Well, life is a brief, meaningless yawn with intervals of shit.

And the Biblical God is an angry, insecure single parent. The

waited. They lit candles and said their prayers and counted the rosary and fasted and didn't covet their neighbor's wife and they twirled furiously, waved snakes, but they still didn't have their

sooner they think they can help bring about the Second Coming of Noah's Flood, or Babylon's Fire, the better the world will be for those that remain. *Can I get an Amen?*

Of all the possible souls on the planet, it just so happens that The Great Blessed One chose to incarnate into you, a 55-year-old, paunchy, retired truck driver whose blood pressure is as high as a meth addict with a stolen credit card and a pawn shop within skipping distance.

And so a handful of lost souls looking for spiritual guidance and dozens of ready-made friends swarm your extremely and necessarily isolated compound. Worried about life, they flock to the one answer they are sure

peace on earth—or their Mazaradi.

That's where you step in, ready to baptize new members with buckets of your filthy semen.

SECTS, DRUGS... NOW ROCK 'N' ROLL!

Don't be afraid to utilize a few mind-altering substances to help you and your followers reach "clarity." And should it happen to loosen a few neighbors' wives up, so be it. A good catch phrase, like "Blessed Be" or "All Hail Daddy Dick" doesn't hurt, either.

**REMEMBER, MOST OF THESE PEOPLE

will bring it all home. Their old school religion said the Lord would take care of it for them and they

The sooner you can get people to mindlessly repeat a phrase that sends them into a trance, the better. Call it

Primal Branding. You've got to keep the fuckers busy while you move in on their nubile daughters. Make their greatest task that of finding, turning, and delivering more members for your spoils. Of course, don't say it like that.

Remember, you are not only the mouthpiece of God, you *are* God. You get to say what God wants. It's thus important that you integrate some amazing miraculous stories of your birth and early life into your cult narrative. Remember, most of these people already believe in walking on water and parting seas, so who's to say you didn't swim salmon-like up Niagara Falls or that you didn't write most of *The Wall*? Who's going to question it, one of your mindless, culty sheeple? I think not. So, remember to make rules that favor you, like "God tells me to father as many children as possible, especially by hot, petite women with little to no body hair." While you're at it, why not throw in a little financial gain to go along with all that angsty sex you're about to have? "God demands that all of you sign over all of your worldly belongings and Social Security

the ultimatum, 99 percent of people can muster up the required amount of charm to do the job. David Koresh was hardly John Kennedy (though JFK never claimed that God talked to him inside a third-floor closet.) Remember, though, charisma is nothing more than an admixture of self-confidence, articulation, revolutionary thinking, and, at least on some level, the ability to be inspirational. No problem, as all of these can be faked. Should you lack this ability, you'll want to pay particular attention to the art of distraction. In death cults this often takes the form of how you, Dear Leader, present yourself to your minions. One key point is how you choose to dress. Think bloated Elvis and don't be afraid of unflattering jumpsuits.

A LITTLE BIT OF INSPIRATION

In the 1970s, the successful Church of Bible Understanding was started by vacuum repairman Stewart Traill. This creepy-looking utter fraud with a beard somehow managed to allegedly suck off 90 percent of his

ding, including launching the infamous 1995 Sarin gas attack on the Tokyo underground. *Allegedly*.

There have been countless religious death cults in history. And presently speaking, there's the Restoration of the 10 Commandments, the alien-worshipping Raelians who claimed to have cloned the first human baby, there's The Order of the Solar Temple, Heaven's Gate, the Unification Church, and, of course, Scientology.

Come to think of it, most of the leaders of doomsday cults seem to either end up permanently incarcerated, dead, or shunned entirely by polite society. Often times it seems that all three happen to them as a sort of natural progression.

Starting your own doomsday death cult may not be such a great idea after all. Maybe we're all better off indulging in the kind of cultish behavior the rest of society approves of: Sports and Consumerism. Spiritual entrepreneurship certainly isn't for everyone. But as the Good Book says, "To those

ONE KEY POINT IS HOW YOU CHOOSE TO DRESS. THINK BLOATED ELVIS AND DON'T BE AFRAID OF UNFLATTERING JUMPSUITS.

checks to me in perpetuity." Hell, you can't help it. The Grand Dude just tells you what to say and you say it.

You'll need to set an end date so that your culties will work diligently to fulfill your whims. Don't pick a date that's too close, or you'll only get a couple of months' worth of Social Security checks and 401K cash outs. Don't pick anything too far into the future or you could actually be right—and who wants to spend the "Real End Of Times" huddled together with a bunch of cult-crazed freakazoids?

So you've come to your senses and realized that the entire thing is a Ponzi scheme? Just remember that your morals shouldn't get in the way of you banging a few hotties in the meantime. There's nothing in the scriptures that says you can't spread your seed far and wide into every empty hole you see. As a matter of fact, I'm fairly certain it encourages it.

Now comes the fun part. Of course, any human endeavor where you wish to boss people around requires at least a soupçon of charisma. Given

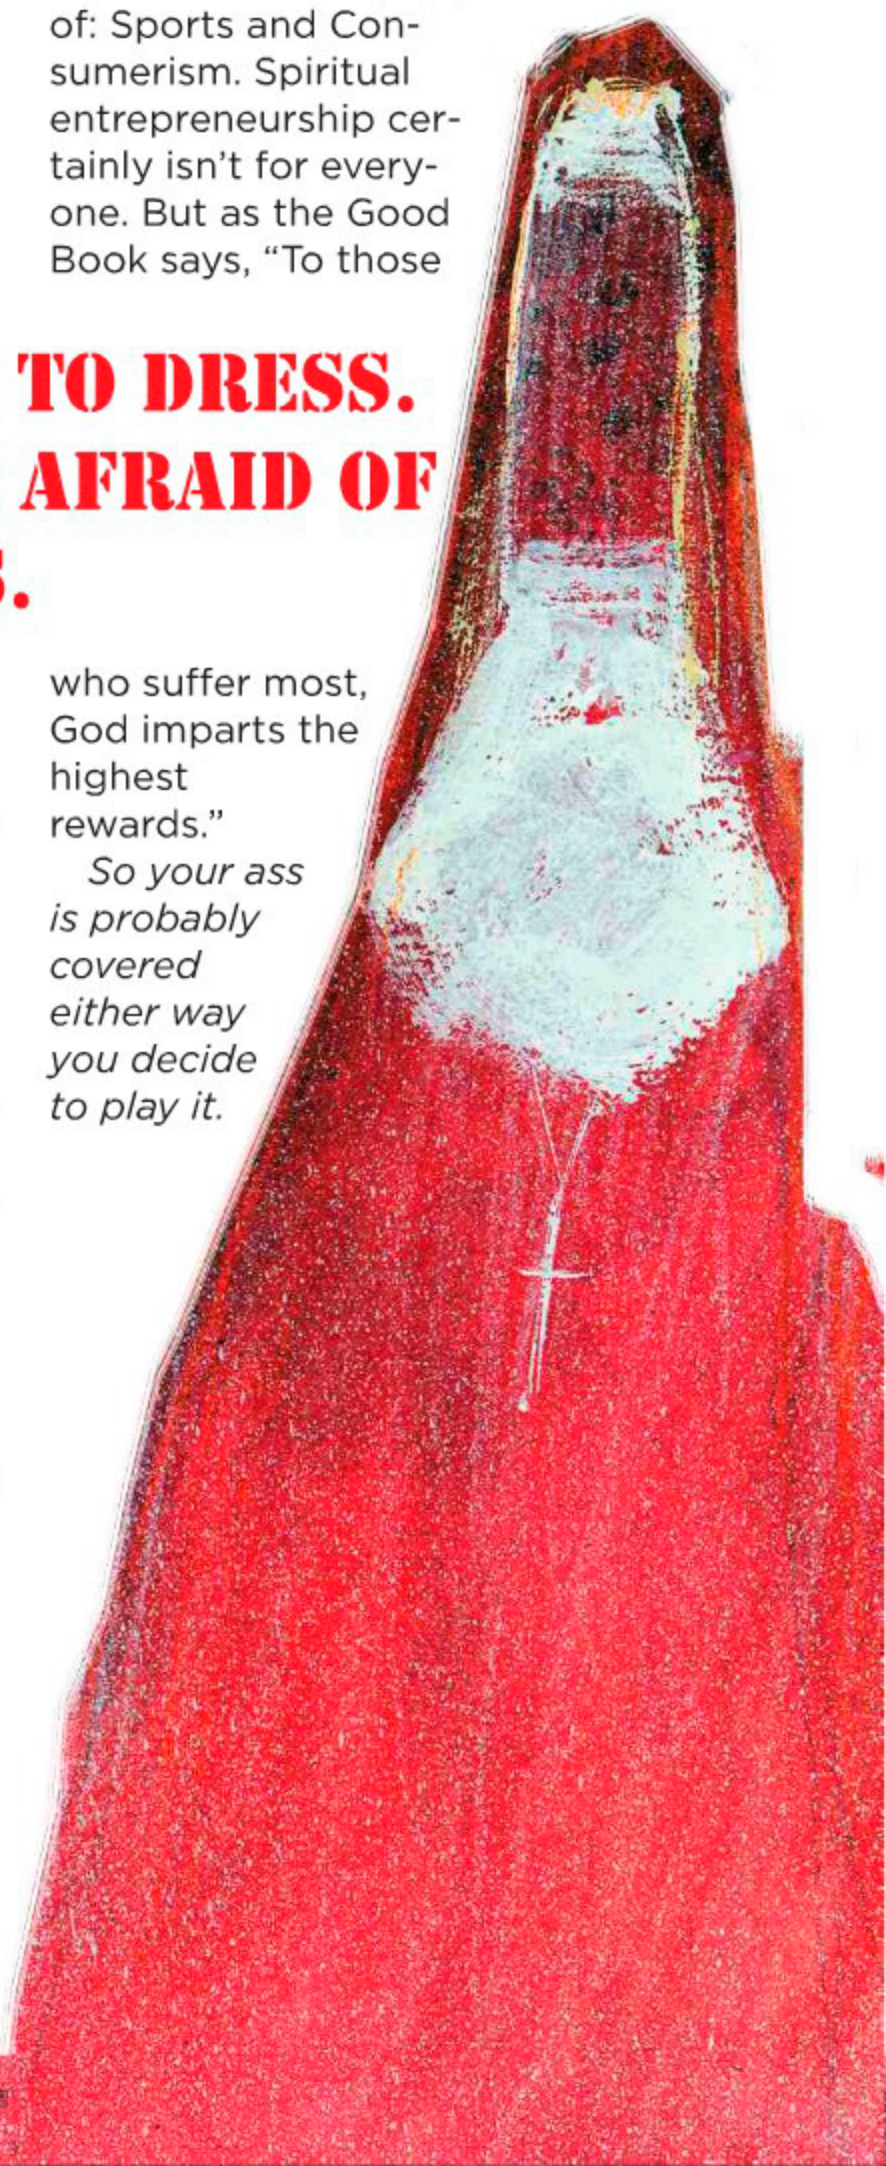

members' financial gains and currently owns a fleet of private jets and goes to sleep every night under luxurious, high-thread count Egyptian cotton sheets inside his *fucking* mansion.

When he was just a young boy, Charlie Manson's teenage mother traded him for a six-pack—or so the story goes. Not important. Manson spent most of his young life in institutions and did time as a pimp. When he was finally released back into society in the 1960s, he moved to San Francisco and soon had assembled a ragtag harem of some 18 women living with him and working for him, more or less fucking people for free rent and favors. Certainly, things went downhill from there, especially after Charlie's second listen to the Beatles' *White Album*, but the man still manages to live completely rent free as a guest at California's Corcoran State Prison.

Japanese goober, Shoko Asahara, turned a one-bedroom apartment, a love for anime, and a yoga class into a 40,000 member strong mob of mental eunuchs, willing to do his bid-

who suffer most, God imparts the highest rewards."

So your ass is probably covered either way you decide to play it.

BONNIE ROTTEN

THE HIGH SOCIETY INTERVIEW

by Rob Perez

PORN VALLEY, CA—SURE, SHE'S GOT INK, BUT THAT ISN'T WHAT MAKES BONNIE ROTTEN A BONA FIDE MAINSTREAM ADULT STARLET. AT JUST 19-YEARS-

OLD BONNIE HAS MANAGED TO BECOME ONE OF PORN'S MOST POPULAR GIRLS, DESPITE APPEARING IN LESS THAN 10 MAINSTREAM ADULT FILMS. BONNIE MADE HER PORN DEBUT WITH THE LEGENDARY MAX HARDCORE, HAD HER ON-SCREEN ANAL CHERRY TAKEN BY WELL-HUNG COCKSMAN MIKE ADRIANO, AND, SOON AFTER, HAD HER VERY OWN PORN FILM DEVOTED EXCLUSIVELY TO HERSELF—DIGITAL SIN'S *MEET BONNIE*. IN THAT FLICK BONNIE GETS HER PUSSY POUNDED, DOES A SUPERB ANAL SCENE, AND PERFORMS HER FIRST ON-SCREEN DOUBLE PENETRATION. HOW MANY GIRLS WITH LESS THAN A YEAR IN PORN CAN SAY THAT? BUT EVEN THOUGH SHE'S NEW TO PORN SHE'S NOT NEW TO THE WORLD OF SEX. BONNIE HAS HAD QUITE THE SEXUAL PAST, WHICH YOU'LL SOON DISCOVER. THE FORMER FETISH STAR, CAR SHOW MODEL, EAST COAST STRIPPER, AND FUCK FILM EXTRAORDINAIRE IS HEADED STRAIGHT TO THE TOP OF THE PORN WORLD. 2013 HAS ALREADY STARTED OFF ON A POSITIVE NOTE FOR MS. ROTTEN AS SHE JUST SNAGGED THE COVETED ROLE OF AVN TROPHY GIRL AND NOW SHE'S BEING INTERVIEWED BY PORN'S PREMIER SEX MAG. NOW IT'S TIME FOR YOU TO MEET BONNIE ROTTEN!

HIGH SOCIETY: Before entering porn you modeled at various car and biker shows. How did you get involved in that whole scene?

BONNIE ROTTEN: I had dated someone who worked on cars and built racing vehicles. He introduced me to a company that asked if I would shoot a calendar. That company got rather large and they started having spokesmodels. We started traveling all around and doing autoramas at different shows. It was a really cool opportunity. Eventually, I just branched off into other things.

HS: From there you went on to become a stripper?

BR: Yes, from there I became a stripper and I started to get interested in the whole webcam modeling thing. I was thinking

about porn, but I wasn't sure what I wanted to do and what my limits were. I came out to California and actually shot for a magazine called "Girls And Corpses." While I was out here I was introduced into the fetish world. I fell in love with it and I wanted to be a part of it. So then I started shooting B&D; then I worked my way into hardcore porn.

HS: Do you have tattoos that are dedicated to your horror obsession?

BR: Oh yes! My knuckles actually say "Camp Blood," in reference to *Friday the 13th*. I have 1428 on the inside of my right arm. That is the address of the house in *Nightmare On Elm Street*. On my leg, the top of it is a Halloween theme; the bottom is one of me as a zombie comic book character. That's actually how I got the name Bonnie Rotten. The front are like zombie faces. [Laughs]

HS: You came to New York City for a boob job. What size are your tits now?

BR: They are technically a 34DD. I'm so happy with the outcome.

HS: Do you like having your breasts played with?

BR: Yes.

HS: How many hardcore scenes have you done since you've entered porn?

BR: I don't know, about 12 or 13.

HS: Is it true you can't get enough of double penetration? What's that feeling like?

BR: It's awesome! [Laughs] It's just super intense.

HS: Have you gotten DP'd in your personal life?

BR: I've done it a few times in my personal life, but not often. It's only been like twice. Then I did it that one time for my movie, *Meet Bonnie*. [Laughs] If you've seen that then you know what I'm talking about.

HS: I did see that. I actually enjoyed the film.

BR: Thank you!

HS: I also enjoyed the interview portion of the film. You're very articulate. Do people often think that you aren't as articulate as we both know you are?

BR: For those interviews I was just baked. [Laughs] I really try to get my head together because I don't

want to sound like a typical 19-year-old girl that doesn't know what she's talking about. I just aspire to be much more in this business than just a chick in front of the camera for a year.

HS: *When can we look forward to your gangbang? I know that's something you're really looking forward too, as well.*

BR: I look forward to it so much. I don't know. A few people have been talking to me and they want to do it and I'm just not sure. I'm trying to come up with some really awesome ideas because it's got to be epic.

I really try to get my head together because I don't want to sound like a typical 19-year-old girl that doesn't know what she's talking about.

HS: *Do you have any guys in mind that you want to be in it?*

BR: I love working with Mick Blue, so I really want Mick to be in it.

HS: *How many guys will you work with in this gangbang?*

BR: Five or six. I don't know. [Laughs] It depends how many they want to throw at me.

HS: *Do you think you can handle a bunch of guys?*

BR: I know I can. [Laughs]

HS: *I know you had a gangbang in your personal life. Can you tell me how that came about?*

BR: OK, a porn gangbang and a personal gangbang are different because it's not orchestrated. It was after a show, a concert. These assholes just dropped my Blackberry into the pool. I remember that. It was in Virginia. We went back after that, then we all just ended up messing around, then more of their friends just ended up joining in. It was awesome.

HS: *How many guys were there?*

BR: I think it was six.

HS: *Was there any DP?*

BR: No.

HS: *Any anal?*

BR: Yes.

HS: *What is it about a gangbang you find so appealing?*

BR: Massive pleasure and loss of control.

THE FUCK FACTS

Birthday: May 9, 1993

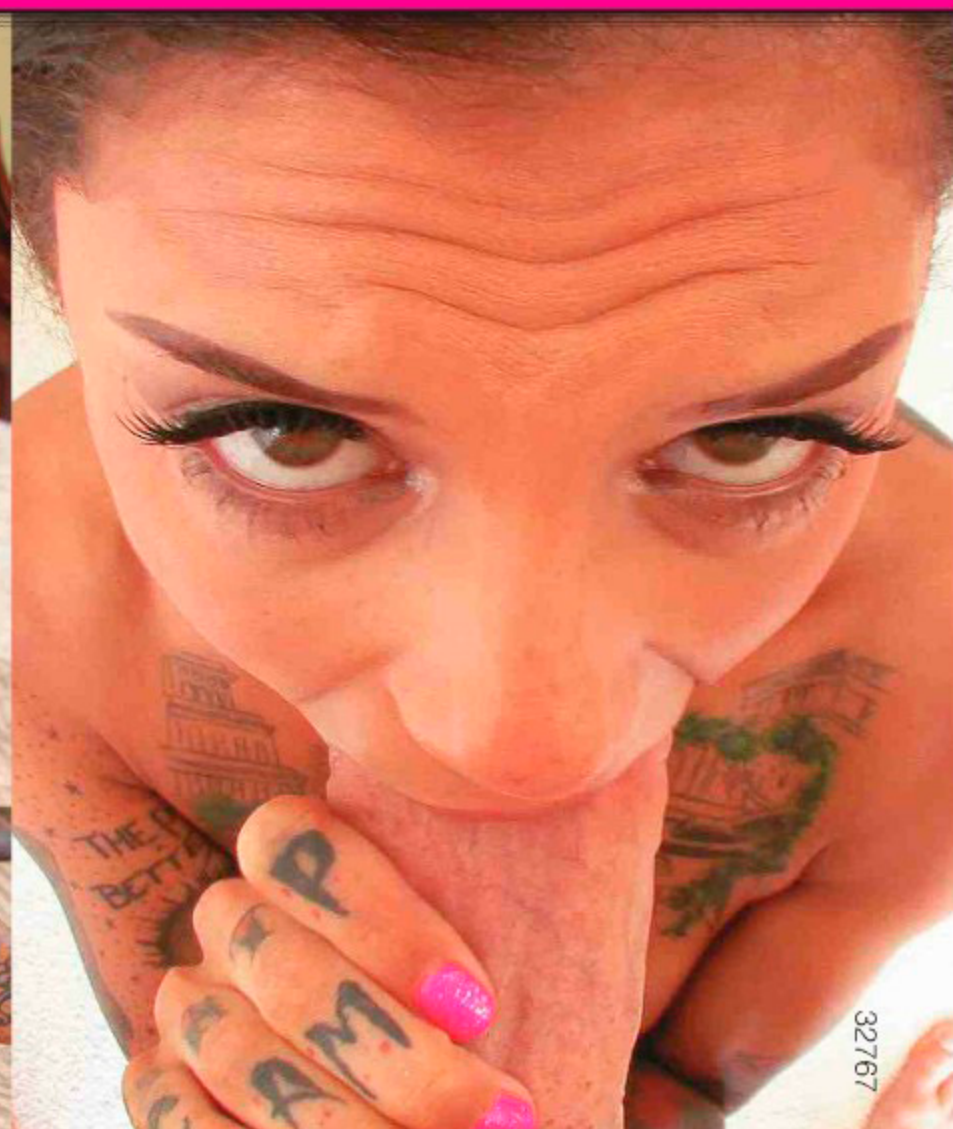

Birthplace: Cincinnati, OH

Height: 5'6"

Weight: 102 lbs.

Measurements: 32B-24-32

Movies: *Tattooed Anal Sluts* (Evil Angel), *Meet Bonnie* (New Sensations), *Mothers Teaching Daughters How To Suck Cock 12* (Devil's Films), *Ink Stains* (Diabolic)

HS: Would you consider yourself to be more submissive than dominant?

BR: I'm more submissive to men than I am to women. I prefer being dominant in most cases, but if it's the right circumstance I enjoy being submissive. I definitely won't say that I don't. [Laughs]

HS: How about an all-female gangbang. Is that something you'd be interested in doing, as well?

BR: Yeah. Some women, yeah! It's not something I'm completely opposed to. If it's the right situation, I'm down.

HS: Do you consider yourself bisexual?

BR: Yes.

HS: Is your preference more toward women?

BR: I like women a lot more than men, generally.

HS: What was your first sexual experience like with a girl? Was it a good or bad experience?

BR: It was funny. We got all messed up. We were drinking in her room and we just decided to have sex and that was the first time I ever had sex with a girl. It was really good. It was actually *really* good.

HS: What kind of girl turns you on?

BR: Petite girls.

HS: How did Meet Bonnie come about? Is that something New Sensations came to you with or did you pitch them?

BR: They approached me. I did one scene for them, then they had me do another scene for them. Then they wanted to make a whole movie around me. It was different for them, but they still wanted to do it. I was like, "OK, let's do it." I wanted to do a DP and they said, "OK." [Laughs] It was just awesome.

HS: So they got your DP cherry.

BR: Yes, they did.

HS: That was a great scene in that you got completely naked and you let the guys just ravage you. Do you like it like that?

BR: I do. Yes, I do. I like that mostly, but every once in a while I like it slow and sensual.

I like women a lot more than men, generally.

HS: You also did a scene with Skin Diamond and Asphyxia Noir. Was that your first on-screen lesbian scene?

BR: Yes. I had done a sex scene with Sinn Sage and Marie McCray, but that's the only other one.

HS: Do you still do fetish stuff or are you just sticking with porn at the moment?

BR: I really want to get back to it [fetish modeling] because so many people loved seeing me be submissive and I loved the feeling of it. I don't want to lose that part of myself because that's where I began.

HS: You've shot with Mike Adriano, one of the most well-hung guys in the business. What did it feel like when he fucked your ass?

BR: It was like...it didn't hurt because I was so nervous. I was really nervous in the beginning and then I loved it. I went back and did that other scene with Lily Lane in *Tattooed Anal Sluts*. [Laughs] That was fun.

HS: So you went back to work with him because it was good?

BR: Yeah, he was awesome! I like having sex with him.

HS: So you'll work with him again?

BR: I hope so soon. I definitely like working with him a lot. He's one of my favorites. He's dirty.

HS: I've been a fan of his for years, especially his anal films.

BR: I love anal and I love his shit. [Laughs]

HS: How does it feel being nominated and given awards at this point in your career?

BR: I think it's awesome! It's so surprising to everyone. I just love shocking people. [Laughs]

HS: Your career has really exploded. What words would you use to describe the past few months?

BR: Interesting, because I started out being so discouraged about things. I don't have an agent, whatever, and then I went on and created opportunities for myself,

**I like really grimy, dirty
gonzo where dudes are just
holding girls down and
pounding them.**

and companies came to me and wanted to create opportunities for me and are continually doing that. It's turning out to be so great. Getting my boobs done has only helped. It's awesome.

HS: *What's the best and worst thing about being a porn star?*

BR: The best thing is the feeling of achievement for something that you do and people praise you for and enjoy. The fans are really awesome. The worst thing I would say is the competition. It's just weird. That's the part that gets me down because I want to get along with everyone. I don't have any beef with anyone at all. I'm just saying I see it happen so much. If you let it affect you, that's when

it can start to become a problem.

HS: *Where would you rate yourself looks-wise on a scale of 1 to 10?*

BR: That's such a bad question to ask a porn chick. Are you serious? [Laughs] I think I'm an eight—no, a nine. That's a weird question. Is "nine" too generous?

HS: *What do you feel are your best and worst physical features?*

BR: I hate my hair a lot. My best [feature] would be my eyes.

HS: *Do you masturbate often and, if so, what do you think about?*

BR: [I masturbate] Too much and I think about girls. [Laughs] I think about a lot of

stuff. I have all kinds of montages of fucked-up stuff that goes through my head—mostly aggressive strap-on stuff. I think about me doing it to someone. Just chicks.

HS: *What kind of porn movies do you like to watch?*

BR: I really like Asa Akira a lot. I like really grimy dirty gonzo where dudes are just holding girls down and pounding them. That's how I like it.

HS: *Is Asa the girl you most want to have sex with in the business?*

BR: Yes. I can't wait until that happens.

HS: *Of all the scenes you've done, which*

My knuckles actually say "Camp Blood," in reference to *Friday the 13th*. I have 1428 on the inside of my right arm. That is the address of the house in *Nightmare On Elm Street*.

I want to be the little girl that fits amazing size things in [her] tiny butthole.

one has been the hottest scene you've ever been involved in?

BR: The DP in *Meet Bonnie*. That's my favorite scene.

HS: Is it fair to say that you're an anal queen?

BR: I want to be. I want to be the little girl that fits amazing size things in [her] tiny butthole.

HS: What would you say is your kinkiest, sexual fantasy?

BR: Have a giant sweaty orgy where there's all kinds of dirty, double-sided dildos. [Laughs]

HS: Do you like being naked? Do you walk around naked all the time?

BR: Yes, all the time. I'm panty-less right now.

HS: What size cocks do you prefer?

BR: It doesn't really matter. It matters if they suck or not. It's just the motion of the ocean.

HS: Do you do interracial?

BR: I just don't see that happening anytime soon.

HS: What's one sex toy you can't live without?

BR: Hitachi.

HS: Which of your movies are you most proud of?

BR: *Meet Bonnie*.

HS: What's one superpower you wish you could have?

BR: X-Ray vision. No wait, ESP. I wish I could read minds so I could be one step ahead of everyone.

HS: Which male and female celebrity do you most want to have sex with?

BR: Bruce Willis and Angelina Jolie; that would be the awesome threesome.

HS: What does the future hold for you?

BR: [Laughs] Less sleep.

JULES JORDAN VIDEO

BRA BUSTERS 3

By Acme
Andersson

JULIA ANN

JAYDEN JAMES

PHOENIX MARIE

MELINA MASON

AVA ADDAMS

STARRING: AVA ADDAMS, JAYDEN JAYMES, JULIA ANN, MELINA MASON, AND PHOENIX MARIE
WITH ERIK EVERHARD, JOHNNY SINS, LEXINGTON STEELE AND MANUEL FERRARA

DIRECTOR: CHRIS STREAMS **STUDIO:** CHRIS STREAMS PRODUCTIONS/JULES JORDAN VIDEO

Bras are expensive these days and a lot of girls don't want to be busting theirs, but then there are the huge-titted sex kittens that just don't care. Here we have a Fab Five—Ava Addams, Jayden Jaymes, Julia Ann, Melina Mason, and Phoenix Marie—showing off their tantalizing ten—and a whole lot more.

The racks may be *en vogue* here, but they don't get all the attention. Pussies and asses are plundered and juices fly as these five meet their matches in some big-dicked meat puppets. Those dicks get a lot of love, too.

Director Chris Streams brings tittie worship to life while not forgetting that there are other parts that have their roles to play, too. Almost every hole gets penetrated in this fun look at some of today's bustiest stars both young and not-quite-as-young. Welcome to *Bra Busters 3*.

JULIA ANN With Johnny Sins

The bra busting starts off with covergirl and perennial "MILF of the Year" winner Julia Ann. There are a lot of things that have kept her popular long since most of her contemporaries have been sent off to pasture, among those her simply being beautiful, fucking like a champ, and her ability to bust out of even the most well-maintained bra.

Here Julia takes on Johnny Sins' pork chop and the way she eats it you know it's cooked just to her liking. Making her way from the pool and out of her white bikini and into the house where she

aggressively gobbles away at Johnny's prick, it's a glorious preparation before she leads him down her great white way to the pink hole that made her famous. Johnny takes her on in every angle possible without sending the guy to yoga training, and Julia proves as limper and receptive to a grand-donging as she has ever been.

She also likes to take breaks to get a taste of her pussy juice on Sins' cock, before squeezing the rod between her milkers to a holy new sensation. It's just that position that finally gets Johnny's fire too hot to control and he sploogs a festive load all over that pretty face. She laps up what she can, a little smile of success glimmering in her famous eyes.

Perennial "MILF Of The Year" Julia Ann takes on Johnny Sins' pork chop and it's obviously cooked just to her liking.

JAYDEN JAMES With Manuel Ferrara

Seems all the girls love getting their chance at Manuel's French choad and tasty redhead Jayden is just like all the other girls, at least in this respect. She puts on a long tease, but one might think it serves more to turn *her* on than him by the true awe in her eyes as her pucker meets his pecker.

Manny's unsnipped member slowly reveals itself and then we lose sight of it again as it enters her gash, lighting up Jayden's pussy as well as her life as he makes his giant

salami feed easily into the girl's wet taco. Whether he's taking her from behind or letting her trampoline his prick, it gives the camera a beautiful shot of her mammoth bouncers and her receptive slit.

Tittie-fucking is a big part of *Bra Busters 3* and Manuel seems to love stroking his prick between her whoppers and that's what draws the beautiful scene to a close—Manuel emptying his reservoir onto her face with a little creamy delight dropping into her mouth, which she teasingly spits back onto her tits.

Manuel lights up Jayden's pussy, as well as her life, as he makes his giant salami feed easily into her wet taco.

PHOENIX MARIE With Lexington Steele

Time with Lexington in the sack is a benchmark for most girls in porn, and not one they are soon to forget. With his ever-ready foot-long, Lex doesn't have that mantle full of "Performer of the Year" trophies just for whipping that big thing out, this cat can use it, too.

Phoenix goes above and beyond the standard tease and jiggling her ass in his face seems to cross the line from standard invitation to an all-out dare. Her supreme talents at cocksucking get that black

baton ready for battering and she proves to be more than a tease. With no problem, Lex gets balls-deep inside her asshole—where it all goes we don't know, and four out of five doctors recommend we not even think about it—and her derriere looks fine as candy, a heart-shaped container full of his chocolate.

Phoenix doesn't let her pussy go untouched during this anal action and she gets herself off, which happens time and time again before Lex lets his creamy filling fly onto her big 'uns before she gives him a loving suck-off then lets him get away.

Phoenix's supreme talents at cocksucking get that black baton of Lex's ready for battering before he lets his creamy filling fly.

MELINA MASON With Erik Everhard

Melina Mason is one of the hottest young stars in the business, garnering "Best New Starlet" nominations from AVN, XBIZ, and XCritic before her 2012 debut year came to an end. It's her rear-end that helped propel her to the top, along with an incredible body and a horniness that seems ahead of its time.

Erik gets a good look at her dressed in slinky lingerie and decides it's the opening in the crotch of her panties that warrants his decision. After some oral action of her own, Melina hops on his merry-go-round and she isn't shy with her moan-and-grind action and the camera can't help but pick up on her massive mams as they warn others not to get too close less they get knocked out.

While Erik never goes inside that bulbous ass, it definitely threatens to steal the show. The ending is predictable, but enjoyable nonetheless, with Melina taking his load in her mouth and leaving her with a tummy full of goodness and the make-up-smeard face of a porn superstar.

While Erik never gets to go inside that bulbous ass of Melina, it definitely threatens to steal the fucking show.

Manuel doesn't miss out on Ava's backdoor, causing her to scream out with delight.

AVA ADDAMS With Manuel Ferrara

You can't keep Ferrara away from the dames and he returns here to give Ava a sense of what it's like to have his French loaf bake in her E-Z Bake. For a boob flick this sure brings a lot of fine ass to the table, and perhaps none more fun than Ava's.

Manuel doesn't miss out on the backdoor when he's eating her out and apparently he likes it all and takes turns screwing both holes, making Ava scream with delight, though there is nothing light about how he stuffs her front and back, and back again.

By the time the end is near the duo seems to have utilized the entire room for their playful romp. With a last run inside that great ass, Manuel switches to the tits and strokes off between her mountains to flood her range as she licks up what she can from the valley below.
